

28 FITCHBURG

NORTH RIVER LEERINK

Construction Update For 28 Fitchburg Street

Scheduled Activities for Week of 3.1.21 – 3.7.21

The following is a list of activities expected to take place:

- Cutting and capping water/sewer lines in the road along Chestnut Street. This work will begin along the 28 Chestnut Street building and continue down the road as the week progresses with the potential to be on Fitchburg Street by the end of the week. **Loss of parking is to be expected. Please see signage/cones for areas that will be blocked off.** **This work was postponed from the previous week**
- Continued interior demolition of the 28 Fitchburg Street building. **Please expect to see workers coming in/out of the building, workers on the roof, and a dumpster set up within the fence line.**

Thank you for your continued support and understanding.

Sincerely,

North River Leerink & Consigli Construction
