NORTH RIVER LEERINK

Construction Update For 28 Fitchburg Street

Scheduled Activities for Week of 3.8.21 – 3.14.21

The following is a list of activities expected to take place:

- Cutting and capping of water and sewer lines in the road along Fitchburg Street will begin Monday 3/8/21. This work will involve excavation in the street. **Loss of parking is to be expected, so please see signage/cones for areas that will be blocked off. The Fitchburg Street openings are anticipated to be restored by Friday 3/12/21.**
- For those who have parking impacted by the work on Fitchburg Street during the week of 3/8/21, NRL is providing temporary parking in the parking lot at the north end of the building, off of Chestnut Street.

Thank you for your continued support and understanding.

Sincerely,

North River Leerink & Consigli Construction
