NORTH RIVER LEERINK

Construction Update For 28 Chestnut Street

Scheduled Activities for Week of 4.18.21 – 4.24.21

The following is a list of activities expected to take place:

- There will be no construction activities on Patriot's Day, Monday, April 19th.
- On Tuesday, April 20th, building demolition will resume for the remainder of Building A, adjacent to Fitchburg Street, which will minorly impact parking along Fitchburg Street (2-4 spaces potentially impacted) through the end of the week. Please communicate with Juan to help coordinate any parking needs as a result of this.

Thank you for your continued support and understanding.

Sincerely,

North River Leerink & Consigli Construction
