### **Construction Update For 28 Fitchburg Street**

#### Scheduled Activities for Week of 4.4.21 – 4.10.21

The following is a list of activities expected to take place:

- Demolition of Building C, 28 Chestnut Street, will continue with the focus on the roof and west wall along Chestnut Street. Demo will continue from north to south towards 28 Fitchburg Street. Activities should be mostly concentrated on the 28 Chestnut Street building, along Chestnut Street, and the north parking lot (Eversource Lot). Deliveries and haul-away trucking will be to and from the north parking lot as well.

Thank you for your continued support and understanding.

Sincerely,

North River Leerink & Consigli Construction
